ARTICLE 5: ARCHITECTURAL CONTROL

5.1 No Improvements or Alterations Without Approval. No Improvement, excavation, landscaping, hardscaping, fence, wall, swimming pool, painting, alteration or other work which alters the exterior appearance of any Lot or its Improvements shall be commenced until plans and specifications have been submitted to and approved in writing by the Architectural Committee. If Improvements, additions, alterations, or modifications are different from those approved by the Architectural Committee, such improvements, additions, alterations, or modifications shall be deemed disapproved and the Member shall promptly correct the nonconforming items to comply with the Architectural Standards, the Architectural Committee's approvals, and City Requirements.

5.2 Applicants in Good Standing. Only Members in Good Standing may submit requests for approval of improvements, additions, alterations or modifications to their Lots, Exclusive Use Common Areas, or Common areas appurtenant to their Lots. "Good Standing" is defined to mean Members who are not delinquent by more than sixty (60) days in the payment of any Assessment, fee, or fine, and not found to be in violation of the Association's Governing Documents (following proper notice, hearing, and a finding by the Board).

5.3 Architectural Standards. The Board may adopt, amend, and repeal Architectural Standards. These Architectural Standards shall interpret and implement the provisions of these CC&Rs by setting forth the standards and procedures for the review and approval of proposed modifications, guidelines for architectural design, placement of any modification, color schemes, exterior finishes and materials, and similar features which are recommended for use within the Development, provided that the Architectural Standards shall meet the minimum standards required by these CC&Rs. In the event of any conflict between the Architectural Standards and these CC&Rs, the CC&Rs shall prevail.

5.4 Architectural Committee. The Board shall appoint an Architectural Committee. If the Board does not appoint one, the Board shall automatically be deemed the Architectural Committee. The Architectural Committee shall have the authority to approve, reject, modify, give conditional approvals, and give limited approvals of improvements and alterations as provided for in the Association's Architectural Standards.

Compensation for consultants' services shall be fixed by the Board. The cost of such consultants and any related expenses may be charged to those Members submitting plans for alterations and/or improvements to their Lots.

- b. *Conflicts of Interest.* No Director or Architectural Committee member may participate in the decision-making process of any architectural submittal made by that Director or Architectural Committee member or members of their family. Further, no Director or Architectural Committee member may participate in the decision-making process of any other architectural submittal if it results in a monetary benefit to the Director or Architectural Committee member or any company in which they or members of their family have a financial interest.

5.5 Submission of Plans. Plans and specifications in accordance with the Association's Governing Documents, describing the proposed modification, shall be submitted to the Architectural Committee by personal delivery or certified mail. Unless a delay in approval by the Architectural Committee is the result of (i) the applicant's failure to properly submit an application in accordance with the Association's guidelines, or (ii) a reasonable request by the Architectural Committee for additional information, the application shall be deemed approved within 60 days of being submitted to the Committee unless the application has been disapproved by the Committee. Provided, however, that all applications that violate the Association's Governing Documents or Building and Safety Codes are automatically disapproved without action by the Committee unless variances are specifically approved in writing by the Committee. Approvals by the Architectural Committee may contain conditions or requests for modification of particular aspects of the Member's architectural submission.

5.6 Review Fees and Construction Agreement. The Architectural Committee may grant reasonable architectural variances, subject to Board approval, if the Architectural Committee determines that the variance will not: (i) constitute a material deviation from the overall plan and scheme of development within the Development; (ii) result in a material detriment; or (iii) create a nuisance with respect to the Common Area or any other Member. The granting of a variance by the Board shall in no event be deemed a variance or waiver as to any other Lot, nor shall any variance affect the applicability or enforceability of any provision of this Article in respect to any other Lot.

5.8 Engineering and Code Requirements. Plans and specifications approved by the Architectural Committee are not approved for engineering design or building code specifications. Members shall be responsible for ensuring compliance with applicable fire and building codes, ordinances, and specifications.

5.9 Inspection. The Association shall have the right, but not the obligation, to periodically inspect any improvements of which plans were approved by the Architectural Committee. Members shall allow inspection and any improvements may be halted and the Member fined if inspection is not allowed. Such inspections do not relieve a Member from his/her duty to comply with the Association's Architectural Standards and all applicable building and fire codes.

5.10 Building Department and Association Approvals. Any construction, repair, modification, or alteration of any Improvement requiring the issuance of a building permit shall be submitted by the Member to the appropriate governmental entity for review and approval. In the event of a conflict in the conditions of approval imposed by the governmental entity and the Architectural Committee, the more restrictive conditions shall control. Nothing herein shall limit the Architectural Committee from imposing conditions of approval which are more restrictive than conditions imposed by governmental agencies.

5.11 Mechanics' Liens. Members shall ensure that no lien is placed against any other Lot or against the Common Areas for labor or material furnished to their Lots. If a lien is placed against the Common Areas and other Member's Lots, and the responsible Member does not immediately cause the removal of the lien, the Association may, after written notice to the responsible Member, pay the amounts necessary to have the lien removed and levy a Reimbursement Special Assessment against the responsible Member.

5.12 Hold Harmless and Indemnify. Approval of plans by the Association signifies only a general conformance with its Architectural Standards and not with Building and Safety Code compliance, lot lines, easements, or construction best practices. The Association and its Architectural Committee, Members, Officers, Directors, employees, and agents shall not be liable for mistakes in judgment or negligence arising out of or in connection with the Association's approval or disapproval of plans.

5.13 Combining Lots. No Lots may be combined without prior written Board approval. Combining Lots shall have the following consequences: (i) the Percentage Interest in the Common Area allotted to the combined Lots shall be equal to the sum of the Percentage Interests in the Common Area of each of the combined Lots; (ii) the Assessments due and owing on the combined Lots shall be equal to the sum of the Assessments levied against each of the respective Lots so combined; and (iii) the Owner of the combined Lots shall continue to have the same number of votes assigned to the Lots before they were combined.

5.14 No Right to Divide Lots. No Member shall have the right to divide any Lot; provided, however, that once two or more Lots have been combined, the Owner of such combined Lots may seek written approval of the Board of Directors to divide the Lots and thereby restore them to their original dimensions and footprint.

5.15 Square Footage and Setbacks. The minimum and maximum square footage of structures and their setback requirements from lot lines shall comply with the Association's Architectural Standards.

5.16 Drainage. No Member or Member's family, guests, invitees or Tenants shall change the established drainage patterns over a Lot without (i) making adequate provisions for proper drainage in accordance with applicable building codes, which shall not adversely affect the property of others, and (ii) written approval of the Architectural Committee.

5.20 Landscaping Following Construction. Within two (2) months of the completion of any construction work during which the Association's landscaping requirements were waived, or within any shorter time frame required by the Architectural Committee, Members shall landscape their Lots as may be required by the Association's Architectural Standards.

5.21 Waiver of Liability. Neither the Architectural Committee or its members nor the Association or its Officers, Directors, employees or agents shall be liable for any damage, loss or prejudice suffered or claimed on account of the Architectural Committee's review, approval, or disapproval of any plans, drawings or specifications, or the conformance of the construction with the approved plans.

ARTICLE 6: BALCONIES AND PATIOS

6.6 View Obstructions. No vegetation or other obstruction shall be planted or maintained upon any Balcony or Patio which shall unreasonably obstruct the view from any other Lot. Any item or vegetation which, in the opinion of the Board, creates an unreasonable view obstruction shall be removed or pruned to the Board's satisfaction.

6.7 Balcony Weight Limitations. No Member shall allow the placement of unreasonable weight loads on his/her Balcony. The number and size of plants shall be regulated by the Rules and Regulations. No refrigerators, freezers, or other appliance shall be permitted on Balconies or Patios.

Members shall be responsible for the cost of repairing any damage to: (i) their own property; (ii) the property of others; and (iii) the Common Areas resulting, from water intrusion from the Balconies or Patios appurtenant to their Lots due to waterproofing failures for which the Member is responsible.

ARTICLE 7: GENERAL RESTRICTIONS

7.1 Antennas. No antennas for transmitting or receiving radio signals or any other form of electromagnetic radiation may be installed, except as provided in the Association's Rules and Regulations, its Architectural Standards, and applicable law.

7.2 Barbecues. There shall be no exterior fires whatsoever except for natural gas, propane or electric barbecues in UL-approved confined receptacles designed for such purposes if permitted in the Rules and Regulations. The hours of operation, type of equipment and rules regarding their operation shall be in the Rules and Regulations. Residents shall take all reasonable precautions to minimize smoke from entering other Lots.

7.7 Laundry. No clothesline shall be erected or maintained within sight of any Common Area or other Lot. No item may be draped over Balcony or Patio walls or railings.

7.8 Nudity. Public displays of nudity are prohibited.

7.9 Nuisance. No Member may cause or permit to be caused anything which constitutes a nuisance.

- a. *Unreasonableness*. To constitute a nuisance, the activity must be such that it causes an unreasonable disturbance or annoyance, be unreasonably injurious to health, be indecent, or be unreasonably detrimental to persons or property.
- b. *Secondhand Smoke*. Any “exfiltration” (air flow outward through a wall, building envelope, window, etc.) of any noxious odor or smoke, including tobacco smoke, from a Lot, whether through windows, doors, vents, or other means, is prohibited. It is the responsibility of the Member causing such exfiltration of smoke to prevent such exfiltration.
- c. *Allergies*. Residents with allergies or sensitivities must, at their own expense, take precautions to protect themselves against commonplace levels of noise, odors, dust, smoke, gases, pollen, or other environmental pollutants.
- d. *Board Action*. Because a nuisance is largely subjective, the Association is not obligated to become involved in disputes where, in the opinion of the Board, the alleged nuisance causes mere inconvenience.

7.10 Occupancy Restriction. The maximum number of persons who may reside in any Lot is two (2) persons per bedroom plus one additional person for the Lot. For purposes of this restriction, “reside” shall mean the use, residency, or occupancy of any Lot by any person for more than thirty (30) consecutive days or more than sixty (60) aggregate days, whether or not consecutive, in any one calendar year.

7.11 Grandfathered Occupancy. In Lots where the number of persons residing in the Lot on the date of recordation of these CC&Rs is in violation of these CC&Rs, those persons residing in excess of the maximum number of person permitted may continue to reside in the Lot; provided, however, the excess residents are registered with the Association and once they cease to reside in the Lot, cannot be replaced. No one may engage in any abusive or harassing behavior or any form of intimidation or aggression, whether verbal or physical, against other Members, residents, guests, invitees, members of the Board, or the Association's management, employees, agents, or vendors. Because the breach of quiet enjoyment is largely subjective, the Board may choose to act only against egregious breaches. In the event the Association chooses not to act on a complaint of breach of quiet enjoyment, or the complaining party believes the Association's action is not sufficient, such party may take legal action to enforce this provision against other residents, but specifically waives his/her right to take action against the Association and its officers, directors, employees, and agents in their handling of the party's complaint.

7.14 Residential Use. No Member shall use or permit his/her Lot or any portion of it to be occupied or used for any purpose other than a private residential dwelling.

7.18 Signs. No sign, poster, flag, banner, notice, nameplate, card, or advertisement of any kind may be displayed to the public view on or from any Lot or in or on any Common Area, except as allowed by law. Owners may display one sign in a Lot window which is of reasonable dimensions and design, advertising that the property is for sale or lease, as allowed by law and subject to any restrictions in the Rules and Regulations.

7.19 Use of Association Employees. Members may hire off-duty Association employees to perform work. However, the use of off-duty employees shall be at the employing Member's expense and such Member shall be responsible for workers' compensation and payroll deductions for that employee. In no event shall the Association be liable for the acts or omissions of employees hired by Members.

7.20 Use of Independent Contractors. Members may use independent contractors to perform work in their Lot. Such contractors shall be licensed and insured. The Association may, but is not required to, and is specifically relieved of any responsibility or liability for policing this provision.

7.21 Window Coverings. Appropriate window coverings must be installed on windows at all times. The color of such window coverings shall be in harmony with the exterior of the structure. No window may be covered by paint, aluminum foil, newspapers, bed sheets, cardboard, blankets, or other similar items.

7.23 Drilling and Exploration. No Lot shall be used in any manner to explore for, remove, refine, or store any water, gasoline, oil, hydrocarbons, minerals, gravel, earth, or earth substances of any kind.

7.24 Increased Insurance Rates. No Member shall permit anything be done or kept in or on any Lot or any Common Area which will increase the rate of insurance in or on any other Lot or the Common Area, or which would result in uninsurability or in the cancellation, suspension, modification or reduction of insurance in, on or covering any other Lot, Common Area or item of personal property within the Development. If, by reason of the occupancy or use of any portion of the Development by any Member, the rate of insurance on any policy held by the Association shall be increased, such Member shall become personally liable to the Association for any increase in insurance premiums caused thereby and the cost of the increase shall be assessed to such Member and his/her Lot as a Special Assessment.

7.25 Machinery and Equipment. No machinery or equipment of any kind shall be placed, operated or maintained upon or adjacent to any Lot except such machinery or equipment as is usual and customary in connection with the use, maintenance or construction of a private Residence.

7.26 Sanitary Conditions. Members shall maintain their Lots and all Improvements in a clean and sanitary condition and not allow rubbish or debris of any kind to accumulate so as to render any Lot or portion of a Lot unsanitary, unsightly, or offensive.

7.27 Storage. No Lot shall at any time be used for open air storage of building materials, vehicles, implements, tools, furniture, landscaping materials or equipment, irrigation pipes or apparatus, junk, trash or any other things whatsoever; provided, however, that building and landscaping materials, tools or equipment may be placed and maintained on building sites as provided for in the Architectural Standards.

7.30 Utility Service. No lines, wires or other devices for the communication or transmission of electric current or power, including telephone, television and radio signals, shall be constructed, placed or maintained anywhere in or upon any Lot unless the same shall be contained in conduits or cables constructed, placed and maintained underground or concealed in, under or on buildings or other approved structures. Nothing herein shall be deemed to forbid the erection and use of temporary power or telephone services incident to the construction of approved buildings.

ARTICLE 8: LEASING OF RESIDENCE

8.1 Restriction. So as to achieve a stabilized community of Owner-occupied properties, to avoid artificial inflation of prices caused by resales by speculators, and to ensure compliance with secondary mortgage requirements, upon transfer of interest in a Residence, the recipients of the transfer shall not lease the Residence until they have physically resided in the Residence as their primary residential dwelling continuously for at least one (1) year.

- a. *For Legal Entities.* The restriction applies as follows: (i) for corporations, a shareholder with a majority shareholder interest must reside in the Lot; (ii) for partnerships, a partner with a majority partnership interest must reside in the Lot; (iii) for any other legal entity, the majority owner of the entity must reside in the Lot.
- b. *Exceptions to Restriction.* This restriction shall not apply to Lots (i) transferred through inheritance, (ii) transferred into a trust for estate planning purposes, or (iii) owned by the Association.

8.2 Governing Documents. Members shall provide their Tenants with copies of all Governing Documents, including, but not limited to, the CC&Rs, Bylaws, and Rules and Regulations, as well as any applicable amendments, and must ensure compliance with all provisions of the Governing Documents.

8.3 Transfer of Common Area Privileges. Any Member residing off-site and whose Residence is occupied by others automatically relinquishes to their Residents the Member's rights to use the Association's Common Area facilities until the Member re-takes possession of the Residence and the Lot.

8.4 Transfer of Occupancy. Members living offsite shall promptly provide the Association with the names all Lot Residents and any change in occupancy.

8.5 Repair Damage. Members shall promptly repair any damage to the Common Areas which originates from their Lots or was caused by Member, Member's Tenants or their respective family, guests, invitees, or pets.

8.6 Unlawful Detainer. Members who lease their Lots shall be responsible for assuring their Tenants comply with the Association's Governing Documents. A Member's failure to take legal action against his/her Tenant who is in violation of the Governing Documents (including the institution of proceedings in unlawful detainer) within ten (10) days after receipt of written demand to do so from the Board shall entitle the Association to institute unlawful detainer proceedings on behalf of such Member and against the Tenant. Any expense the Association incurs, including attorneys' fees and costs of suit, shall become a Special Assessment against the Lot.

8.7 Assignment of Rents. As security for the payment of Assessments and other sums owed to the Association, Members who lease their Lots hereby pledge their rights as landlords (including the right to receive rent) to the Association. In the event a Member becomes delinquent in payment of Assessments to the Association, the Association may require the Tenant to direct any and all rent payments to it until such deficiencies have been paid in full. Members shall have no right to collect these amounts from Tenants and may not evict Tenants for complying with the Association's demand for rents.

8.8 No Criminal Activity. No person may reside in any Unit if they engage in criminal activities. For purposes of this section "criminal activities" shall mean drug-related activities (including the illegal manufacture, sale, distribution, use or possession of a controlled substance), gang related activities, unlawful use or discharge of firearms, prostitution, or any misdemeanors or felonies enumerated in the California Penal Code. For purposes of this section "reside" shall mean the use, residency or occupancy of any Unit by any person for more than five (5) consecutive days or more than ten (10) aggregate days, whether or not consecutive, in any one calendar year. In addition, no Owner of a Unit shall permit, by rental agreement or otherwise, persons who engage in criminal activities to reside in their Unit.

ARTICLE 9: PETS

9.1 Pet Limitation. Usual domestic dogs, cats, fish, and birds may be kept as household pets. No more than two (2) dogs or two (2) cats or one of each may be kept as household pets, provided that no animal shall be kept, bred, or maintained: (i) for any commercial purpose; (ii) in unreasonable numbers; or (iii) for any purpose that would involve any odor, noise, or other nuisance which would unreasonably disturb the use and enjoyment of any portion of the Development by other Members. The Board may set additional restrictions, rules, and regulations regarding the kinds and sizes of pets which may be kept and other pet issues.

9.2 Grandfathered Pets. Pets residing at the Association on the date of recordation of these CC&Rs which were not in violation prior to that date, but which are prohibited under these CC&Rs, are permitted; provided, however, those pets are registered with the Association. Residents may keep any such registered pets for as long as the Resident resides in the Development. However, once the Resident has moved from the Development or the pet has died, the pet cannot remain in the Development or be replaced, except as provided for in these CC&Rs.

9.3 Service Animals. An animal otherwise prohibited by these CC&Rs, which is kept by a Resident for the purpose of servicing the Resident's disability, may be kept by such Resident provided: (i) the Resident submits appropriate documentation to the Board verifying the existence of a legally-defined disability; (ii) the service animal is properly cared for by the Resident (i.e., kept healthy, clean, and properly groomed and waste material is properly disposed of); and (iii) the animal is not unruly or disruptive (e.g., barking, growling, running loose, displaying aggressive behavior, etc.). All applicable pet rules shall apply to service animals.

9.4 Nuisance. Members shall be liable to the Association and other Members for any damage to person or property or nuisance noise caused by the pets of such Members, Members' Tenants or their respective family, guests, or invitees. The Board shall have the right to prohibit any pet which, in its opinion, constitutes a nuisance to other Members pursuant to evidence provided at a noticed hearing.

9.5 Dangerous Animals. No animal may be kept in the Development which the Board has determined to be aggressive or dangerous pursuant to evidence provided at a noticed hearing. The Association may also restrict categories of animals which are dangerous or have aggressive tendencies, as designated by the insurance industry or a governmental agency.

9.6 Liability. Every Member shall be liable for any injury to persons or property caused by any pet brought or kept within the Development by the Member, Member's Tenant or their respective family, guests, or invitees.

9.7 Control. No pets shall be allowed in the Common Area, except as may be permitted by the Rules. No dog shall enter the Common Area, except while on a leash which is held by a person capable of controlling it. The Association may cause any unleashed dog found within the Common Areas to be removed to a pound or animal shelter under the jurisdiction of the city or county in which the Development is located.

ARTICLE 10: VEHICLES AND PARKING

10.1 Restricted Parking. Only the following types of vehicles may be parked or stored in parking spaces: automobiles, trucks, motorcycles, and mopeds. Vehicles shall be parked completely within the parking space. No RV, camper, boat, recreational water craft, trailer, or any other similar vehicle is permitted in any portion of the Common Areas or in any parking space unless specifically provided for in the Rules and Regulations. Only permitted vehicles may be stored in parking spaces.

10.3 Guest Parking. Guest parking is limited and no vehicle shall be permitted to park in guest parking, except as provided for in the Rules and Regulations. Members' guest parking may be suspended for delinquencies and rules violations.

10.4 Proper Operating Condition. All vehicles shall be maintained in proper operating condition, so as not to be a hazard or nuisance by noise, exhaust emissions, or appearance. All vehicles shall carry current registration tags and shall be insured.

10.5 Electric Vehicles. No electric vehicles are permitted to be recharged in the Development, except at the Member's expense.

10.6 Noise Limitation. All vehicles must be configured so as to provide for their quiet operation.

10.7 Repair of Vehicles. No Member shall construct, repair, or service any vehicle within any portion of the Common Areas, except for emergency repairs to the extent necessary for the movement of the vehicle to a proper repair facility, or on any Lot except in an area on the Lot not visible from the Common Areas or neighboring properties.

10.8 Washing of Vehicles. Vehicles may not be washed or detailed in the Development, except as provided for in the Rules and Regulations.

10.9 Fluid Leaks. Members must keep their driveways, Common Area, and streets in front of their Lots free of fluids such as oil, radiator coolant, brake fluid, power steering fluid, etc. Members who fail to do so may be fined or may be subject to a Reimbursement Assessment for the cost of cleaning the affected areas.

10.10 Theft or Damage. The Association shall not be liable for any loss or damage suffered by any Member, Tenant or guest by reason of theft of or damage to any Vehicle or Vehicle contents, unless caused by the Association's intentional misconduct or gross negligence.

10.11 Impeding Access. No vehicle shall be parked in such a manner as to impede or prevent ready access to any other driveway or Common Area entrance or exit.

10.12 Garages. Garages may not be converted to any use other than the storage of vehicles. Garages shall not be sublet. Members are responsible for garage door hardware and for maintaining the doors in proper working order. It is each Owner's sole responsibility to confirm that the garage is accessible for the Owner's vehicle.

ARTICLE 11: ENFORCEMENT OF GOVERNING DOCUMENTS

11.1 Association Enforcement Rights. In addition to any other rights described in these CC&Rs and without waiving the Association's right to institute other enforcement measures, and subject to the notice and hearing provisions in the Bylaws, the Governing Documents may be enforced by any or all of the following, as may be appropriate:

- a. *Monetary Penalties.* The Board may assess reasonable monetary penalties for violations of the Association's Governing Documents by a Member, Member's Tenant or their respective family, Lot Residents, or

guests. Such Member shall be liable for all costs of collection, including reasonable attorneys' fees, court costs, and related expenses.

- b. *Suspend Common Area Privileges.* Subject to the notice and hearing provisions set forth in the Bylaws, the Board may suspend the Common Area privileges of Members, Member's Tenants and their respective family, invitees, and guests for their failure to comply with the Association's Governing Documents. Any such suspension shall be for a period of time not to exceed thirty (30) days for any noncontinuing violation. For continuing violations, the suspension may be imposed for as long as the violation continues.
- c. *Suspend Voting Rights.* Subject to the notice and hearing provisions set forth in the Bylaws, the voting rights of a Member may be suspended for continuing violations of the Governing Documents. Once suspended, a Member's voting rights shall remain suspended until such continuing violation is cured.
- d. *Judicial Enforcement.* A lawsuit for damages and/or injunctive relief may be filed, whether or not the relief sought is for negative or affirmative action.

11.2 Cumulative Remedies. The respective rights and remedies, provided by these CC&Rs, by law, or available in equity, shall be cumulative and the exercise of any one or more of such rights or remedies shall not preclude or affect the exercise, at the same or at different times, of any other such rights or for the same or different failures of the Members or others to perform or observe any provision of these CC&Rs.

11.3 Failure to Enforce Not a Waiver. Failure to enforce the Governing documents, whether by the Board or any Member or other Person entitled to enforce them, shall in no event be deemed a waiver of the right to do so. Waiver or attempted waiver of any provision of these CC&Rs with respect to a given Lot shall not be deemed a waiver as to any other Lot. Additionally, violation of any provision hereof with respect to any Lot or Lots shall not affect the applicability or enforceability of any provision of these CC&Rs to any other Lot.

11.4 Remedy at Law Inadequate. Remedies at law for violation of the Association's Governing Documents are inadequate and equitable and injunctive relief may be sought and awarded.

11.5 Right of Action Against Buyer. Failure by a Member to correct Lot violations prior to the transfer of title to the Lot shall give the Association the right to enforce compliance against the buyer.

11.6 Attorneys' Fees. In the event any party initiates any action or proceeding to enforce or interpret the Governing Documents or California law relating to the Development, the substantially-prevailing party shall be awarded reasonable attorneys' fees and costs, including reasonable experts' fees.

ARTICLE 12: RIGHT OF ENTRY

12.1 Limited Right of Entry. During reasonable hours and subject to the notice requirements contained in this Article, the Association's representatives, employees, and vendors may enter Lots, Common Areas, and Exclusive Use Common Areas: (i) to inspect and perform maintenance or repairs to the Common Areas or Exclusive Use Common Area; or (ii) to mitigate damages; or (iii) to inspect the Lot to ensure compliance with the Governing Documents. Such persons, acting in good faith, shall not be liable for trespass.

12.2 Notice of Entry. The Association shall give at least three (3) business days' written notice if by personal delivery and five (5) days if by first class mail to the Resident and the Lot Owner, stating the purpose for the entry and the time of the entry.

12.3 Avoid Unreasonable Interference. The right of entry shall be exercised in such a manner as to avoid any unreasonable or unnecessary interference with the possession, use, and enjoyment of the Member or Resident of such Lot.

12.4 Emergency Entry. In the event of an emergency, the Board or its authorized representative may enter the Lot without permission and shall not be subject to liability to the Member or occupant. Such entry shall not constitute trespass or any other wrongful act. If it is necessary for the Association to damage or destroy property to gain access to the Lot, the Member shall have no right of action against the Association or its representatives. However, the Association shall repair the damage if the emergency did not originate in the Lot. Prior to emergency entry, if feasible, the Board shall make a good faith effort to give notice.

12.5 Refusal to Allow Entry. In the event the resident refuses to allow entry for any reason authorized in these CC&Rs, the Association shall have the right to assess against the Member all expenses including reasonable attorneys' fees (regardless of whether legal proceedings are instituted) incurred by the Association arising from the resident's refusal to allow entry. Such fees and expenses shall become a Reimbursement Special Assessment against the Member and shall be fully enforceable by all means provided for in these CC&Rs including lien and foreclosure.

12.6 Damage Repaired by Association. Any damage caused by the Association to the Common Areas and Lot improvements shall be promptly repaired by the Association to original building standards. The Association shall have the right to seek reimbursement from responsible parties that gave rise to such damage and repairs.

ARTICLE 13: ASSESSMENTS

13.1 Purpose of Assessments. The general purpose of Assessments is to provide for the recreation, health, safety, and welfare of the Members, enforce and comply with the Governing Documents, manage the Development, enhance the quality of life in the Association, improve and maintain the Common Areas, provide for the acquisition and maintenance of property, services and facilities devoted to these purposes, and for any action or undertaking on behalf of the Association.

13.2 Regular Assessment. The Board shall levy Regular Assessments in an amount sufficient to provide for the performance by the Board of each and every one of its powers and duties provided, however:

- a. *20% Limitation*. Pursuant to Section 1366 of the Civil Code or any successor statutes, the Board shall not, without the approval of Members casting a majority of the votes with quorum present, impose a Regular Assessment which is more than twenty percent (20%) greater than the Regular Assessment for the immediately preceding fiscal year. Quorum for the purposes of this provision means more than fifty percent (50%) of the Members of the Association.
- b. *Uniform Rate of Assessment*. Regular Assessments shall be fixed at a uniform rate for all Lots.
- c. *Payable Monthly*. Regular Assessments shall be payable by each Member against whom assessed in twelve (12) equal monthly installments on the first day of each calendar month or at such other dates and in such other installments as the Board shall determine. Assessments for new Members shall be prorated in the first month of membership according to the date on which the individual becomes a Member.
- d. *Written Notice*. Written notice of any increase in Regular Assessments shall be sent by first-class mail to each Member not less than thirty (30) days nor more than sixty (60) days prior to the increased Assessment becoming due.
- e. *Modification of Assessment*. The Board may modify the Regular Assessments during the course of a fiscal year if necessary to conform to a revised estimate of costs and expenses. However, if the aggregate increase exceeds twenty percent (20%) of the Regular Assessment for the immediately preceding fiscal year, the Board must obtain the approval of Members pursuant to Section 1366 of the Civil Code or any successor statutes. If an annual Regular Assessment is not published for a new fiscal year, the Regular Assessment for the prior fiscal year shall apply and govern each Member's payments until changed by a new Regular Assessment.

13.3 Special Assessment. In addition to the Regular Assessment, the Board may levy a "Special Assessment" for any purpose necessary for the Association to carry out its duties; provided, however:

- a. *5% Limitation*. Pursuant to Section 1366 of the Civil Code or any successor statutes, the Board shall not, without the approval of Members casting a majority of the votes with quorum present, impose a Special Assessment which is more than five percent (5%) of the budgeted gross

expenses of the Association for such fiscal year. Quorum for purposes of this provision means more than fifty percent (50%) of the Members of the Association.

- b. *Uniform Rate of Assessment.* Special Assessments shall be fixed at a uniform rate for all Lots.
- c. *Reimbursement Assessments.* Special Assessments may also be levied against individual Lots for reimbursement of expenses incurred by the Association arising out of actions or omissions of such Members or their family, Tenants, guests, or pets. As provided elsewhere in these CC&Rs, such expenses shall include, but not be limited to: (i) enforcing compliance with the Association's Governing Documents; (ii) mitigating or repairing damage to Association property or Common Areas; (iii) collecting delinquent Assessments; (iv) attorneys' fees and costs; and (v) materials and services provided by the Association to individual Members or their family, guests, invitees, or Tenants.
- d. *Payment Schedule.* Special Assessments shall be payable by each Member against whom assessed either monthly or at such dates and in such installments as the Board shall determine.
- e. *Written Notice.* Written notice of Special Assessments shall be sent by first-class mail to each Member not less than thirty (30) days nor more than sixty (60) days prior to the Assessment becoming due.

13.4 Emergency Assessment. In emergency situations, the Board may increase Regular Assessments beyond twenty percent (20%) or impose special Assessments above five percent (5%) only as provided for by law.

13.5 Exempt Property. The following property subject to these CC&Rs shall be exempt from Assessments: (a) properties dedicated to and accepted by a local public authority; (b) the Common Areas.

13.6 Deposit of Assessments. All sums received by the Association shall be promptly deposited into accounts clearly designated in the Association's name.

- a. *Commingling.* The Association shall maintain separate accounts for its operating funds and its Reserves, respectively, and no funds from those separate accounts shall be commingled at any time.
- b. *Interest.* No Member shall have the right to receive interest on any such funds deposited.

13.7 Disbursement of Funds. All checks, drafts, or other orders for payment of money, issued by or in the name of the Association, shall require two (2) signatures; one by the President or the Treasurer and the second by another Director or the Manager of the Association. In the absence of the President or Treasurer, any other Director may be a

co-signer. f. However, all Reserve Account withdrawals or transfers shall require approval by the Board and signatures by two Directors.

13.8 Reserves. All sums assessed and collected by the Association which are budgeted to fund Reserves for anticipated long-term maintenance, repair, and replacement of Improvements upon the Common Area, the cost of which would not ordinarily be incurred on an annual basis, shall:

- a. *Be Segregated*. Be received in trust by the Board, set aside and segregated from the other monies and not be commingled with the Association's Operating Account.
- b. *Be Invested*. Be invested in low-risk investments. Reserves shall be deposited in financial institutions authorized to do business in California and that carry FDIC insurance or equivalent private insurance, such as insurance placed through the Securities Investor Protection Corporation (SIPC). Alternatively, the Association may deposit funds with brokerage houses or institutions which are members of the National Association of Securities Dealers, Inc. and insured by SIPC or equivalent industry insurance.
- c. *Require Two Signatures*. Be withdrawn from the Reserve account only upon approval by the Board and the signature of two (2) members of the Board.
- d. *Not Be Reimbursed*. All contributions to the Reserves, as well as interest earned, are for the benefit of the Association and not to the benefit of any individual Member. As such, contributions and interest are not refundable to Members when they cease to be Members of the Association.

ARTICLE 14: ENFORCEMENT OF ASSESSMENTS

14.1 Liability for Assessments. Assessments, together with charges, interest, costs, and attorneys' fees (regardless of whether legal proceedings are instituted), shall be a charge on the land and shall be a continuing lien upon the property against which each such Assessment is made. In addition, Members shall be personally liable for any and all Assessments provided for by these CC&Rs, together with any accompanying late charges, interest, costs, attorneys' fees (regardless of whether legal proceedings are instituted), and penalties as may be authorized under these CC&Rs. Co-owners shall be jointly and severally liable for all Assessments, late charges, interest, costs, and penalties. In a voluntary conveyance of a Lot by a Member, the buyer shall be jointly and severally liable with the seller for all unpaid Assessments, late charges, interest, costs, and penalties up to the time of the grant or conveyance, without prejudice to the buyer's right to recover from the seller the amounts paid by the buyer. All Members owning a partial interest in a Lot shall be personally liable, jointly and severally, for the entire amount of any and all Assessments against such Lot.

14.2 Enforcement Rights. Any Assessment made in accordance with these CC&Rs shall be the separate debt of each Member against whom the same is assessed. In addition to any other rights provided for by law or described in these CC&Rs, the Board has the right to collect delinquent Assessments as follows:

- a. *Late Fees and Interest*. Unpaid Assessments shall be deemed delinquent fifteen (15) days after they are due and shall be subject to a late charge of the greater of either ten percent (10%) or Ten Dollars (\$10.00), which may not be imposed more than once on any delinquent payment, and interest at the rate of twelve percent (12%) per annum, which may commence thirty (30) days after the Assessment becomes due.
- b. *File Suit*. The Association may commence and maintain a lawsuit directly on the debt without waiving its right to establish a lien and initiate foreclosure against the Member's Lot for the delinquent Assessment. In any action to collect delinquent Assessments, late charges or interest, the prevailing party shall be entitled to costs and reasonable attorneys' fees. If such costs and fees are awarded to the Association, they shall become a Reimbursement Special Assessment against the Member and shall be fully enforceable by all means provided for in these CC&Rs including lien and foreclosure.
- c. *Lien and Foreclose*. In accordance with Section 1367.1 et. seq. of the Civil Code or any successor statute, a delinquent Assessment or installment, together with any late charges, interest, costs, attorneys' fees, and penalties, shall become a lien on the Lot upon the recordation of a "Notice of Delinquent Assessment" in the Office of the County Recorder. The Board may enforce any Assessment lien against a Lot by filing an action for judicial foreclosure or by nonjudicial foreclosure. The Association, through its Board, may bid on the Lot at the sale and may hold, lease, mortgage, and convey the acquired Lot.
- d. *Suspend Privileges*. Subject to the notice and hearing provisions set forth in the Bylaws, privileges may be suspended until such time as delinquent Assessments, fees and fines, including any accumulated penalties, interest, and costs of collection have been paid in full.
- e. *Suspend Voting Rights*. Subject to the notice and hearing provisions set forth in the Bylaws, voting rights of a Member may be suspended if the Member is more than sixty (60) days delinquent in paying any Assessment, fee, or fine. Once suspended, a Member's voting privileges shall remain suspended until such time as the delinquency, including any accumulated late charges, interest, and costs of collection, have been paid in full.

- f. *Additional Remedies.* The remedies provided in this Section shall be in addition to, not in substitution for, any other rights and remedies which the Association may have.

14.3 Waiver of Objection. Each Member vests in and delegates to the Board or its duly authorized representative the right and power to bring all actions at law and to use liens and foreclosures, whether judicially, by power of sale, or otherwise, against any Member or Members for the collection of delinquent Assessments. Each Member expressly waives any objection to enforcement of the obligation to pay Assessments, as set forth in these CC&Rs.

14.4 No Offsets. All Assessments shall be payable in the amount specified by the Assessment and no offsets against such amount shall be permitted for any reason, including, without limitation: (i) a claim that the Association is not properly exercising its duties and powers, as provided in these CC&Rs; (ii) a Member has not made or elects not to make use of the Common Area; (iii) any construction or maintenance for which the Association is responsible that has not been performed; or (iv) any construction or maintenance for which the Association is responsible that has not been performed to a Member's satisfaction.

14.5 No Exemption by Waiver of Use. Members may not exempt themselves from liability for Assessments nor release their Lots from liens and charges by waiver of their use and enjoyment of the Common Areas, by abandonment of their Lots, or through non-use of Common Areas or membership privileges.

14.6 Waiver of Exemptions. To the fullest extent permitted by law, with respect to liens created pursuant to these CC&Rs, Members waive the benefit of any exemption, homestead, or redemption laws of the State of California in effect at the time any payment of any Assessment becomes delinquent, and shall be estopped from raising exemptions or redemptions in any action or proceeding to enforce or foreclose such liens.

14.7 Attorneys' Fees. Any reasonable attorneys' fees and costs incurred by the Association in the enforcement of its Assessment rights against a Member may become a Reimbursement Special Assessment against that Member, which may be collected in any manner provided for by these CC&Rs or by law.

14.8 Non -Waiver of Assessments. If the Board fails to approve a budget or fix the Assessments for the current year, the budget and Assessments from the preceding year shall continue until a new budget is approved and new Assessments are fixed.

ARTICLE 15: INSURANCE

15.1 Association Insurance. The Association shall obtain and maintain policies of insurance as described below. So as to keep premiums at a reasonable level and to ensure the insurability of the Association, the Board shall establish appropriate deductibles and make business decisions as to which losses shall be submitted to the Association's insurance carrier.

- a. *Direct Physical Loss.* The Association shall maintain one or more policies for loss or damage by fire or other risks covered by the standard “Special Form” policy (or its equivalent) on all Common Area Improvements. The amount of such insurance shall be not less than one hundred percent (100%) of the aggregate full insurable value, meaning actual replacement value. The coverage shall be written on a blanket basis with an agreed value endorsement and an inflation guard endorsement. In addition, if available, the Board shall purchase:
 - i. “Building Ordinance” coverage, or its equivalent, to cover any increased costs of construction following a covered loss which may be imposed due to changes in building codes or ordinances.
 - ii. “Maintenance Fees Receivable” coverage, or its equivalent, to cover the loss from unpaid or uncollected assessments resulting from a covered property loss.
 - iii. “Demolition and Debris Removal” endorsement in the amounts adequate to cover demolition and debris removal costs.
 - iv. Such other endorsements which the Board may deem necessary or reasonable.
- b. *Comprehensive or Commercial General Liability (“CGL”).* The Association shall maintain one or more CGL policies which shall provide appropriate liability limits for injury or death to one or more persons in any one accident or occurrence. The Association shall carry coverage in amounts that meet or exceed those called for in Section 1365.9 of the Civil Code or any successor statutes.
- c. *Directors and Officers.* The Association shall purchase directors and officers errors and omission insurance, which shall provide appropriate liability limits insuring Directors, Officers, Committee members, and management employees. The Association shall carry coverage in amounts that meet or exceed those called for in Section 1365.7 of the Civil Code or any successor statutes.
- d. *Workers’ Compensation.* The Association shall carry workers’ compensation and employers’ liability insurance, as may be appropriate.
- e. *Fidelity Bond.* The Association shall maintain blanket fidelity bond coverage for all Directors, Officers, Committee members, and employees of the Association handling funds of the Association or third party property. In the event the Association has delegated some or all of the responsibility for the handling of funds to a management agent, the management agent shall also be required to maintain blanket fidelity bond coverage for those persons handling or responsible for funds of the Association.

- f. *Employment Practices Liability.* If the Association has employees, it should, depending on cost and availability, purchase employment practices liability coverage.
- g. *Automobile Liability Insurance.* If appropriate, the Association shall purchase non-owned and hired automobile coverage and garage-keepers legal liability coverage.
- h. *Boiler and Machinery Insurance.* If appropriate, the Association shall purchase insurance for the loss or damage to or as a result of boilers, pressure vessels, and pressure pipes.
- i. *Umbrella Policy.* In addition to appropriate levels of insurance for all of the above, the Association may carry an umbrella policy for its public liability and property damage, Directors and Officers liability, and workers' compensation policies.
- j. *Earthquake and Flood Insurance.* The Association may purchase appropriate levels of earthquake or flood insurance, if such insurance is available and if approved by the Board or the membership. In the event the Board decides not to purchase earthquake insurance for the Association's Improvements, that decision must be made as part of the Board's annual insurance disclosure to the membership.

15.2 Member Obligation to Carry Insurance. At their sole expense, Members shall purchase the following insurance: (i) real property and personal property coverage that insures their Lot's improvements and contents against damage or loss; (ii) premises liability that includes protection for bodily injury and property damage; (iii) loss of use that protects a Member for additional living expenses should his/her Lot become uninhabitable due to a covered loss; and (iv) loss assessment coverage that protects against special assessments due to a loss which exceeds the Association's master policy limits or deductible. In addition, if a Member operates a vehicle which is driven across or stored in the Association's Common Areas, the Member must carry appropriate automobile insurance. The Association may police this provision but is not required to and is specifically relieved of any responsibility or liability from doing so or failing to do so.

- a. *Waiver of Claims.* Members waive their claims against the Association to the extent such claims are covered under insurance which Members are required to carry under this Article, regardless of whether Members actually carry such insurance.
- b. *Assignment of Proceeds.* If any loss intended to be covered by the Association's insurance occurs and the proceeds payable are reduced because of a Member's insurance coverage, that Member shall assign such insurance proceeds to the Association, to the extent of the

reduction. The Board shall apply those proceeds to the same purposes as the reduced proceeds received by the Association.

15.3 Payment of Deductible. If a loss occurs as a result of the negligence or breach of CC&Rs of a Member or Member's family, guests, invitees, Tenants, or pets or as a result of a failure of a portion of the Lot or its Improvements within a Member's care, custody, or control and the loss results in a payment by the Association's insurance, that Member shall pay the Association's deductible, if any.

15.4 Management of Claims. The Board, not individual Members, shall determine which claims, if any, shall be submitted to the Association's insurance carrier. The Board may take into account the Association's claim history, the amount of the deductible, the apparent merit of the claim, etc. and make a business decision regarding which claims are submitted and which ones are not. In the event a Member makes an unauthorized claim against the Association's insurance which results in an increase in the Association's insurance premiums, the amount of the increase shall be assessed against the Member and his/her Lot as a Special Reimbursement Assessment.

15.5 Liability for Increased Insurance Rates. In the event any act or omission of any Member or Member's family, guests, invitees, Tenants, or pets causes an increase in the cost of the Association's insurance, the amount of the increase shall be assessed against the Member and his/her Lot as a Special Reimbursement Assessment.

15.6 Choice of Contractor. With respect to any repairs for which proceeds of insurance are paid or are payable to the Association, the Board shall designate the contractor to perform the repairs to the Common Areas. Individual Members shall be responsible for overseeing repairs done to their respective Lots.

15.7 Insurance Company Rating. All policies of insurance obtained by the Board shall be from an insurance company qualified to do business in the State of California and holding a Best's Insurance Reports rating of "A" or better, or such other comparable rating as may be given by Standard and Poor's.

ARTICLE 16: PROTECTION OF LENDERS

16.1 Definitions. "Lender" shall refer to the holder of a first mortgage or deed of trust given by a Member (or his predecessor in interest), the lien of which mortgage or deed of trust is superior to all other monetary encumbrances, except real property taxes and Assessments. The term "Mortgage" shall mean and include a deed of trust. The term "Mortgagee" shall refer to a beneficiary (or its assignee) under a deed of trust and the term "First Mortgagee" shall refer to a beneficiary (or its assignee) under a deed of trust with priority over all other Mortgagees and deeds of trust.

16.2 Furnishing of Information. Each Lender shall, upon request, be entitled to: (i) inspect the books and records of the Association during normal business hours; (ii) receive an annual audited financial statement of the Association within ninety (90) days following the end of any fiscal year of the Association; and (iii) receive written notice of

all meetings of the Association and/or the Board and be permitted to designate a representative to attend all such meetings.

16.3 No Priority Over Rights of First Mortgagees by Destruction or Taking. Nothing in these CC&Rs shall give a Member or any other party priority over any rights of first mortgagees of Lots, pursuant to their mortgages, in the case of a distribution to Members of insurance proceeds or condemnation awards for losses to or taking of Lots and/or the Common Area. Additionally, if any Lot or any portion of a Lot is made the subject matter of any condemnation or eminent domain proceeding, no provision herein shall entitle the Member or any other party to priority over a first mortgagee of a Lot, with respect to any distribution to such Lot of the proceeds of any award or settlement.

16.4 Relationship with Assessment Liens. Any lien that the Association may have on any Lot for the payment of Assessments shall be subordinate to the lien or equivalent security interest of any Lender with a first trust deed or mortgage on the Lot, made in good faith and for value, and no such lien shall in any way impair the obligation or the priority of such trust deed or mortgage, unless the Lender expressly subordinates its interest, in writing, to such lien.

16.5 Foreclosure. Any holder of a first mortgage who takes title to a Lot, pursuant to the remedies provided in the mortgage, through foreclosure of the mortgage shall take the property free of any claim for unpaid Assessments or charges against the mortgaged Lot which accrued prior to the time such Person takes title to the Lot.

16.6 Priority of Mortgage Lien. No breach of any provision of these CC&Rs nor the enforcement of any lien created herein shall affect, impair, defeat, or invalidate the lien of any mortgage or deed of trust made in good faith and for value, but the CC&Rs shall be binding upon any Member whose title is derived through foreclosure, trustee sale, or otherwise.

16.7 Lenders Furnishing Information. A Lender is authorized to furnish information to the Board concerning the status of any loan encumbering a Lot.

16.8 Curing of Breaches. A Lender who acquires title to any Lot, pursuant to the remedies provided in the mortgage, through foreclosure of the mortgage, by deed in lieu of foreclosure, or otherwise shall not be obligated to cure any breach of these CC&Rs which is noncurable or of a type which is not practical or feasible to cure. For the purpose of this section, if a Lender acquires title by a deed in lieu of foreclosure, then delinquent Assessments owed on that Lot by a previous Member shall not be a noncurable breach or a breach which is not practical or feasible to cure and an Assessment lien on that Lot shall not be rendered invalid or unenforceable by virtue of the Lender's receipt of title to that Lot.

16.9 Payment of Taxes and Charges. Lenders may, jointly or singly, pay taxes or other charges which are in default and which may or have become a charge against any portion of the Common Area and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for such

Common Area, Lenders making such payments shall be owed immediate reimbursement from the Association.

ARTICLE 17: LIMITATIONS OF LIABILITY

17.1 Standard for Liability. Neither the Association nor its Officers, Directors, Committee members, employees, or agents shall be responsible to any Member or Member's family, guests, invitees, or Tenants for any loss or damage to person or property suffered by reason of water, fire, smoke, explosion, electricity, dust, sand, insect or rodent infestation, or any other source, unless there is clear and convincing evidence the damage or loss was caused by the gross negligence or willful misconduct of the Association's Officers, Directors, Committee members, employees, or agents. The standard for determining liability shall not be strict liability.

17.2 Limited Personal Liability. No Officer, Director, Committee member, or employee of the Association shall be personally liable for any loss, injury, or damage to persons or property for any act or omission, if the act or omission was performed in good faith, within the scope of the person's duties for the Association, was not self-dealing, and did not constitute intentional misconduct or gross negligence.

17.3 Association Not a Security Provider. The Association may, from time to time, provide measures of security in the Development. However, the Association is not a provider of security and shall have no duty to provide any security in the Development. The obligation to provide security lies with each Member individually. The Association shall not be held liable for any harm to persons or property by reason of failure to provide adequate security or ineffectiveness of security measures undertaken. This shall include, but not be limited to, any loss or damage suffered by reason of theft of or damage to any article or thing which is placed or stored in or on any portion of the Common Area.

17.4 Duty to Defend. The Association shall indemnify and defend and shall advance reasonable attorneys' fees and costs to its Officers, Directors, Committee members, and employees against all expenses and liabilities reasonably incurred by such person(s) in connection with any proceeding (including, but not limited to, alternative dispute resolution proceedings) to which they may be a party by reason of having been an Officer, Director, Committee member, or employee of the Association. Provided, however, the Association may recover its attorneys' fees and costs from, and shall not be liable for any judgments or other liabilities for, those persons who are adjudged to have acted in bad faith or in gross negligence in the performance of their duties.

17.5 Personal Injury or Property Damage Sustained Within a Lot. The following shall apply if any Person sustains personal injury or property damage within a Lot or on its attached Patio or Balcony and the injury or damage results in a claim against the Association or any of its Officers, Directors, Committee members, Members, agents, or employees. The Owner of the Lot, Patio, or Balcony where the injury or damage occurred shall: (i) fully indemnify and hold harmless the Association, Officer, Director, Committee member, Member, agent, or employee against whom such claim or suit is brought; and (ii) defend, at his own cost and expense, any resulting litigation against said

parties. However, there shall be no obligation to defend or indemnify any party whose gross negligence or willful misconduct was the cause of the injury or damage.

17.6 Actions Against Volunteers. No cause of action against a person serving without compensation as Director or Officer of the Association on account of any negligent act or omission by that person within the scope of that person's duties as Director acting in the capacity of a board member, or as an Officer acting the capacity of, and within the scope of the duties of, an Officer, shall be included in a complaint or other pleading unless the court enters an order allowing the pleading that includes that claim to be filed after the court determines that the party seeking to file the pleading has established evidence that substantiates the claim.

ARTICLE 18: DAMAGE/DESTRUCTION TO IMPROVEMENTS

18.1 Association's Duties. In the event of partial or total destruction of Common Area Improvements the Association is obligated to maintain, it shall be the duty of the Association to restore and repair the same to its former condition (or better) as promptly as practical. The proceeds of any insurance received shall be used for such repairs and/or replacement.

18.2 Member's Duties. In the event of partial or total destruction of Improvements on a Member's Lot, it shall be the duty of the Member to either: (i) restore and repair the same to its former condition (or better) as promptly as practical, or (ii) as promptly as possible remove the damaged Improvement as well as all debris and place the Lot in a clean and presentable condition to the satisfaction of the Architectural Committee.

18.3 Duties of Board During Reconstruction. If reconstruction is undertaken, the Board shall: (i) enter into a written contract with a contractor who is licensed and insured for such repair, reconstruction, and restoration; (ii) disburse insurance proceeds available for the work, along with funds collected by reason of Assessments, in appropriate progress payments; and (iii) take all steps necessary to ensure the commencement and completion of such repair, reconstruction, and restoration in a lawful, workmanlike manner at the earliest possible date.

ARTICLE 19: CONDEMNATION

19.1 Notice. Promptly upon learning of any potential condemnation or sale by eminent domain, the Board shall notify all Members and first mortgagees who have filed a written request for notice.

19.2 Payment for Common Area. In the event an action in eminent domain is brought to condemn all or any portion of the Common Areas, the Association shall represent the Members in all proceedings, negotiations, or settlements. Awards for the acquisition of Common Area shall be paid to the Board, as trustee, for deposit into the Association's Reserves unless a majority of the total voting power of the Association elects to distribute the award among the Members in accordance with their Percentage Interest.

19.3 Payment for Lot. In the event that an action in eminent domain is brought to condemn all or any portion of one or more Lots, the award made for such taking shall be payable to the respective Owners of the Lots, subject to: (i) the rights of Mortgagees holding Mortgages covering such Lots; and (ii) all unpaid Assessments of each Member, taken together with interest charges. The Board of Directors shall have no responsibility for the restoration of a Member's personal property taken as a result of condemnation.

19.4 Substantial Taking. If there is a substantial taking of the Development, the right to partition suspended by these CC&Rs shall be revived.

19.5 Revision of Documents. In the event of any condemnation of a part of the Development, the Board shall, as soon as practical, cause to be prepared, filed, and/or recorded a revised subdivision map, Condominium Plan, or other documents, reports, schedules, or exhibits necessary to show the changed or altered status of the Development.

19.6 Status of Membership. In the event a Lot is taken in condemnation, the Lot shall cease to be part of the Development, the Member shall cease to be a Member of the Association, and the Percentage Interest in Common Area appurtenant to that Lot shall automatically become vested in the remaining Members, in proportion to their respective Percentage Interests in the Common Area.

ARTICLE 20: MISCELLANEOUS

20.1 Amendment. These CC&Rs may be amended by the vote or written consent of Members comprising more than fifty percent (50%) of the Voting Power of the Association or as provided for in Section 1356 of the Civil Code or any successor statutes, provided that the percentage of the Voting Power necessary to amend a specific provision shall not be less than the percentage of affirmative votes prescribed for action to be taken under that provision. Any amendment enacted in compliance with this provision shall become effective when recorded with the Office of the County Recorder.

20.2 Amendment to Conform to Statute. If at any time a provision in these CC&Rs contradicts current law, according to a written opinion of the Association's legal counsel, the Board of Directors will have the authority, on the unanimous approval of the Directors and without approval of the Members, to amend that provision, but only to the extent necessary to render the provision compliant with applicable law.

20.3 Term of CC&Rs. These CC&Rs shall continue in full force and effect for a term of sixty (60) years from the date of their recordation, after which time they shall be automatically extended for successive periods of twenty (20) years, unless within six (6) months prior to the expiration of the initial term or any twenty (20) year extension period a written agreement executed and acknowledged by at least seventy five percent (75%) of the Members is placed on record in the office of the County Recorder, terminating the effectiveness of these CC&Rs.

20.9 Number and Gender. Whenever the context so requires, the singular number includes the plural, the plural includes the singular, the masculine gender includes the feminine and/or neuter, and the neuter gender includes the masculine and/or feminine.

20.11 No Public Rights. Nothing contained in these CC&Rs shall be deemed to be a gift or dedication of all or any portion of the Development to the general public or for any public use or purpose whatsoever.

20.12 Successor Association. In the event the Association, as a corporate entity, is dissolved, a nonprofit, unincorporated association shall, without further action, automatically succeed to all the rights and duties of the corporation. The affairs of the

ARTICLE 21: ADJACENT GOLF COURSE USE

21.1 Golf Course. This development is immediately adjacent to the River Island Golf Course and Country Club. Because of the proximity to the Country Club and the attendant use of the Country Club and golf course by the public, certain common problems may arise. Some of those are as follows:

- a. Pesticides and Fertilizers. During certain periods of the year the golf course may be heavily fertilized and pesticides and other chemicals may be applied to the course throughout the year.
- b. Overspray. The golf course irrigation system may feature sprinkler heads with water throw capacity of 60 to 75 feet or more. Overspray onto adjoining homes and Lots is not unusual and may occur.
- c. Errant Golf Balls. Residents and homes in close proximity to the course face an inherent risk of personal injury or property damage from stray golf balls.
- d. Golf Cart Traffic. Many golfers will be using golf carts. In addition, a variety of utility vehicles shall be used by the golf course maintenance people that will traverse the course each day. Lots located next to tees and putting greens with cart paths immediately adjacent to the Lots will experience more disturbance and loss of privacy than Lots not located on such tee or putting green.
- e. View Impairment. The golf course views may be disturbed by maturing trees and other landscaping on the golf course. there is no obligation on the part of the golf course or its owners to prune or thin the trees or do other landscaping to preserve views from the Lots. In addition, the golf course owners have the right in their sole and absolute discretion to add trees and other landscaping to the courses from time to time, and the golf course may change from time to time the location, configuration, size, elevation of tees, bunkers, fairways and greens.
- f. Access. There shall be no access to golf course property from residential lots. There is no intention within these documents to create by grant or implication any access, ingress, egress or other easement from a residence lot onto the golf courses.

- g. Course Maintenance Operations. The golf course will require a daily regimen of care. Putting greens will be mowed daily. The course will be irrigated. Blowers, aerifiers, mulchers, tractors, utility vehicles, and other equipment will be in frequent operation. Various pumps to operate the systems may operate continuously. Daily course maintenance may begin as early as 6:00 AM in order to have courses ready for daily play.
