

THE TRIBUTARY

River Island East Homeowners Association <http://riehoa.com> September 2020

*I wake up every day planning to be productive then a voice in my head says, "Haha, good one"
and we laugh and laugh and take a nap.*

BORING!!!

The only word that accurately defines the last Board meeting is **boring**. I let them know, they promised to do better next time. I explain all this to you as a way of apologizing for a boring newsletter.

Here goes:

Irrigation issues at the main gate seem to have been remedied.

Halloween at the West gate has been cancelled.

Hydro-blasting the foliage on the trees in our Western Woodlands has been successful, safer and prettier.

The pool closes the end of October.

About the pile of dirt on Lot 30... Construction plans from the County have finally been approved. Construction of the retaining wall is imminent thereby using up the dirt pile as fill. Thank you for your patience.

P.S. I fell and broke my damn leg while making a left hand turn at the kitchen counter. It's the smaller bone in the lower leg so I don't need it for support and it's not casted. But I don't think I can face the thought of going up and down the stairs on Greene Drive, just don't think I could do it. So, for now, I'm staying in the one story tiny house in the southland

Next BoD meeting is September 14, 2:00 @ 32462 River Island Ln.

Be there or be square.
