

Summer 2022 Tributary

Hello RIE Community Members,

Summertime is upon us here at River Island East and it is officially hot, Hot, HOT!

Luckily, we have that amazing, almost olympic size swimming pool for our enjoyment. Last year our pool cleaning company just wasn't getting the job done, so we hired a new local pool service and the pool has never looked better.

Remember when at the pool-

- No Glass!
- No Pets!
- Please clean up after yourselves!

But mainly...jump in and cool off!

In the words of Ralph Waldo Emerson, "Live in the sunshine, swim in the sea, drink in the wild air".

~Dana Branch, RIEHOA Tributary Author
